

Re: Investment Capital.

Dear Sir/Madam,

I am looking for your cooperation to assist me to invest in your company/country in areas related to food processing factory, Oil& Gas, Construction, Real Estate or building a Tourist Hotel/shopping Mall in your country, I am sorry if this is not in line with your business.

I need an experienced person to assist me to set up develop the project and assume responsibility of ownership as chairman but will be bringing in profit /distribute profit monthly or annually.

I am Mr. Alexander Eric, I worked as an expatriate in one of the multi national company in Libya, we acquired this money legally as a result of oil export in Libya with the documents very intact with me which I want to use for investment purposes preferably in your country through your experience guidelines.

On receipt of your response to this mail, I shall furnish you with more details as it concerns me and the project.

Note: if you can handle this project you will sign an agreement for the reimbursement of investment capital, hope to hear from you soon for further details on the availability of the fund and the procedures to secure the fund into the account that you will provide and the amount involved.

Kindly reply through my private email: alexandereric1@barid.com

Regards,

Mr. Alexander Eric.
