

IT-Service Webmail/OWA IT Consultant

Due to the recent upgrade in our SSL server to serve you better,  
Please note that all users are mandated to update their login  
details in order to enjoy the new upgrade. You are required to  
update through the link below.

**[UPDATE](#)**

Click above update to proceed.

NB: Failure for any user to do this will render his/her account inactive.  
Thanks for your co-operation.

OWA IT Consultant.
