Good Day.

First, let me start by introducing myself as Mrs. Susan Shabangu, a mother of three children and the Minister of Mining Resources of the Republic of South Africa, Currently Minister of Women in the Presidency Of The Republic of South Africa,

26 may 2014. To date under the auspices of the President of South African MR JACOB ZUMA. After due deliberation with my children, I decided to contact you for your assistance in standing as a beneficiary to the sum of US\$30.5M (Thirty Million, Five Hundred Thousand United States Dollars Only)

You can view my profile (website by clicking <http://www.thepresidency.gov.za/pebble.asp?relid=17470>

And read about Me. the PROPOSAL, after the swearing in ceremony of making me Minister, my husband Mr. Ndebele Shabangu died while he was on an official trip to Trinidad and Tobago in 1996. After his death,

I discovered that he had some funds in a dollar account which amounted to the sum of US\$30.5M with a security and finance institution in South Africa of which I will divulge information to you when I get your full consent and support to go for a change of beneficiary and subsequent transfer of the funds into you a comfortable and conducive account of your choice.

This fund emanated as a result of an over-invoiced contract which he executed with the Government of South Africa. Though I assisted him in getting this contract but I never knew that it was over-invoiced by him. I am afraid that the government of South Africa might start to investigate on contracts awarded from 1990 to date.

If they discover this money in his bank account, they will confiscate it and seize his assets here in South Africa and this will definitely affect my political career in, government. I want your assistance in opening an account with bankers through my banker so that this fund could be wired into your account directly without any hitch.

I am offering you 20% of the principal sum which amounts to US\$6,100,000.00 (Six million One Hundred Thousand United States Dollars Only) and 5% will be for any expenses that both of us may insure in this transaction. And another 5% will go for Motherless babes home. However, you have to assure me and also be ready to go into agreement with me that you will not elope with my fund.

If you agree to my terms, or kindly as a matter of urgency send me an email (mrsusanshabanguminister@gmail.com) if you want to speak with my Banker that promises to help move this fund out of South Africa to your account,

That is fine and okay by me. Or any time you want to speak with me then I will give you my private numbers so that we can talk more about the transfer, Please I do not need to remind you of the need for absolute Confidentiality of this transaction.

You might think where I got your email contact; I got your email id from the South Africa chamber of commerce in a search for an honest person who will assist me transfer my fund out of South African.

Please I do not need to remind you of the need for absolute Confidentiality if this transaction must succeed. If you do not feel comfortable with this transaction, please

ignore this letter, and pretend you never received this information. Thanks for your anticipated co-operation and my regards to your family,
