URGENT AND PERSONAL LETTER

DEAR,

I am a financial consultant and an auditor by profession; I work for one of the offshore financial institutions in a foreign Country, I am a Canadian. I am aware that this letter has come to you as a surprise. As we have not met before, or had any business transaction in the past. Nevertheless, I has Contacted you with genuine intentions and you won't regret it.

I got your contact information when going through an old file of my deceased client by the name of **TERANISHI**, a United States citizen, passed away a few years ago.

Our Financial institution (Claim Department) has issued me a notice to provide the beneficiary to his Life Insurance Unclaimed Fixed deposits, worth Millions of US dollars. By law, any unclaimed deposit precedes that have been left with the insurer without activity or contact for ten years, must transfer to the Treasury Division as unclaimed funds. Unfortunately, he has no will and has left his account with an open beneficiary

I have made some inquiries to find any of his immediate relatives, with no success. I tracked his last name in a database, to see if I could find any of his immediate family members, it also proved unsuccessful.

After these unsuccessful attempts, I would like to seek your assistance in the repatriation of those funds, using your name as the beneficiary to this unclaimed fund, because I believe you are one of his extended relatives, and you bear the same last name as him. All arrangements on how to secure the unclaimed funds have been put in place and I guarantee you that the proceeds of these unclaimed funds would be released to you legally as his beneficiary.

There is no risk involved; no litigation, as I have worked out all modalities to complete the process successfully and legally. I hope to finish the claim within a few banking days from the date of the receipt of the following information through my **email address, telephone , fax or Whatsapp**. Reconfirm your complete name and address, occupation, phone/fax, email address and your reference Number on this letter, this Information will be used in writing letters of claim respectively.

Contact me through my email address. Telephone or fax, for more details and the procedures of this claim. Make sure that you have a fax Machine or email address in order to process your claim.

When you get back to me, I will provide you with the detail and description of the claim. I will also provide you with copy of my identification to assure you the legality of this settlement. Thank you very much for your prompt attention and I ask for your utmost privacy in this matter. Please kindly get back to me, whether you are willing or unwilling to collaborate with me.

Don't mail any documents for security reasons. All documents or letters must be return by fax or email attachment. You don't have to worry about anything because this transaction will be processed legally and protect you from any infraction of the law.

Kindest Regards
Ms. Sussan Briggs.
