

Dear Friend,

I hope my e-mail meets you well. I am in need of your assistance. My name is Col. Thomas Kurlick of the Engineering Unit of US Military here in Baghdad in Iraq; we have about \$18 Million US dollars that we want to move out of the country in three digital boxes. My partners and I need a good partner out there, someone we can trust to receive the funds on our behalf. It is oil money and legal.

We have made arrangements with a Diplomatic Courier Service that will move the funds out of Iraq as a Family Treasures, also we have made arrangement to transfer the said fund through Bank of Baghdad depending on what you want, The most important thing is; Can We

Trust you once the funds get to you simply take out 30% as your share and keep the remaining 70% for us. Your own part of this deal is to find a safe place

Where the funds can be sent to, ours is sending it to you safely.

If you are interested I will furnish you with more Details upon receipt of your response and contact details. But I can assure you the whole process is simple and we must keep a low profile at all times.

I look forward to your reply and co-operation.

Regards,

Col. Thomas Kurlick
