UNITED NATIONS PAYMENT NOTIFICATION

US\$1,000,000.00

We wish to inform you that the United Nations (UN) and Relief International have authorized us to release to you a total amount of **\$1,000,000.00 USD (One Million United States Dollars)**. This amount is to be paid to you as one of the beneficiaries of the Global Promotion Program Held in Pretoria, South Africa, by the United Nations Small Scale Industry Support Fund.

This Program is in-line with the Social responsibility of the United Nations Organization, which is held once every year to change the living status of several lives around the Globe and help small scale businesses globally regain full financial strength. UN Sustainable Development Goals received substantial increases in available capital from Donors Partners in order to deliver small enterprises funding globally. Especially, emerging markets face a funding shortfall to fund long-term assets that carry high risks for private capital markets. The UN estimates that 175 million young people are unemployed globally due to Global financial crisis resulting from Covid-19 Pandemic, with the vast majority relying on small enterprises to join the workforce. UN decided to build entrepreneurial ecosystems by raising funds for lucky individuals globally. These funds were donated for the following purposes:

- Delivering social protection and essential public services.
- Ending hunger and malnutrition.
- Closing the infrastructure gap.
- Promoting inclusive and sustainable industrialization.
- Generating full and productive employment for all.
- Protecting ecosystems.
- Promoting peaceful and inclusive societies
- Investing in children and youth.
- Addressing the diverse needs and challenges faced by countries in special situations.

This time, you were among other people who were selected to receive this Lucky Prize. On behalf of the United Nations Organization, we wish to congratulate you formally.
