

Hello Dear, (annacooper2019@yandex.com), (mrsannacooper1977@gmail.com)

I am Mrs. Anna Cooper, from Australia, lived in South Africa for 20 years and lived in London, United Kingdom, a widow to the late Dr. Andrew Cooper. I am 80 years old and presently suffering from Leukemia.

My health has gotten worse and just two weeks ago my doctor informed me that my condition has reached a critical stage, and that I have just 3 months left. This confirmation from my doctor was and still is devastating news; it is hard to know that you have just a little time left to live here.

My late husband was a contractor in both South Africa and London, he died in a plane crash and during the period of our marriage we could not bear any child. My late husband was very wealthy and after his death, I inherited all his businesses and wealth both in South Africa and London-United Kingdom.

After the doctor's medical pronouncement that I have just a few months to live, I decided to divide my wealth to contribute to your country and Africa where my late husband as a contractor made lots of money. I want to assist you with the funds to do great charity work in your country, this is my last wish. I selected you after searching a few websites; I prayed and was led to you. I am willing to donate the sum of Four Million, Six Hundred thousand United States Dollars (USD\$4,600,000.00) to the less privileged through you.

Please I want to transfer this money to you as I am traveling to have my lawyer amend my WILL. If you can handle this fund and are very sure to do charity work on my behalf then I will include your name in my WILL when I meet with my Lawyer, and from there I will travel to Australia to meet a specialist as I want to be buried alongside my late husband when I pass on. Note that this fund is in the financial institution and upon my instruction; I will file an application through my family attorney for the transfer of the money into your account for the said purpose.

Lastly, I honestly pray that this money when transferred will be used for the said purpose even though I might be late then. I have come to find out that wealth is vanity and I made a promise to God that my wealth will be used to support the poor and to assist the sick. Do let me know if you will be able to handle this fund and use it for the said purpose so that I will inform my attorney and my bank on my decision.

God bless you

Mrs. Anna Cooper
