## ABOUT BORRO MONEY

Borro Money is a South African based finance company with particular focus on personal loans, business loans, debt consolidation loans, vehicle finance, agricultural loans and short term transactions in the property sector (bridging finance). We offer short and long term finance to individuals and businesses that require loans quickly but are restrained by bank's strict lending criteria and slow turn-around time. We strive to offer fast and cost-effective financing.

Borro Money is a financially independent company and a registered Credit Provider with the National Credit Provider of South Africa with NCR No; NCRCP14706, and Legal Registration No.: 2020/792607/07. We offer individuals and corporate bodies a variety of loans including Bonds (Mortgage), personal loans, business loans, home loans, debt consolidation loans and agricultural loans. Whether you need funds for personal issues or in the building or retail sector or for your business, we can offer you a tailored personal or business loan that will meet your cash needs at an affordable interest rate with flexible loan repayment term that will not place unnecessary strain on you or your business.

Our company was established in 2020 and our loans are quite easy to obtain with our simple application process. We specialize in same day pay out of long and short term cash loans ranging from R20,000.00 up to R30,000,000.00 at 3.50% per annum fixed interest rate for personal loans and 4.50% for business and corporate loans and individuals between the ages of 20 and 75 years who are permanently employed or self-employed and earning at least R3, 500 per month can apply.

## HOW TO APPLY FOR A BORRO MONEY LOAN

Simply send an e-mail to ([borromoney4u@cash4u.com](mailto:borromoney4u@cash4u.com)) with your accurate information (**ID Number, Full Name, Type of Loan Requested, Loan Amount, Monthly Income and Contact details**) and a customer service representative will contact you within minutes to complete the application process. Individuals who are blacklisted or under judgment can also apply as it is the number that evaluates a person's credit history, so feel free to apply.

## LOAN INTEREST RATES AND FEES

Our loans are unsecured which means that no collateral or securities from the individual or business is required. This ought to motivate a higher interest rate charge but we are offering these loans at 3.50% and 4.5% per annum fixed interest rate so other service fees might be applicable and individuals need to be aware of this as individuals or businesses whose loans are approved may be subject to undertake a small insurance policy (Credit Life Insurance) which will cover your loan amount in the case of dreaded diseases, loss of job, permanent disability or death.

## CUSTOMER CREDIT LIFE INSURANCE COVERAGE

It covers your loan balance in case of loss of job, death, disability or retrenchment.
